

Custom & Class Calling Features

The following monthly and non-recurring rates apply to our Custom Calling Features and our Custom Local Area Signaling Services (CLASS) and are in addition to the rates and charges applicable to basic service, and all additional and/or associated equipment and facilities.

You may add a single feature to your line or design a custom package with more than one feature. A standard package is also available. Charges are listed below and a brief description of each feature is on the reverse side. Please stop in at the business office or call 652-3571 with questions you might have or to add these features to your line.
